learning to love like Jesus

26 November

Scriptures we will be looking at.

- John 4 : The women at the well
- Matthew 8:1-4 Cleansing of a leper
- Luke 5:17-25 Healing of a Paralytic

How do we love like Jesus Loves?

- Love is a decision before it is a feeling!
- We should acknowledged all people.
- We must take the time to be with those who reach out to us for help.
- We must listened not only with our ears but with our heart.
- Being able to step out of our shoes into others shoes.
- We need to meet others where they are at.
- A loving act may come at a personal cost or sacrifice.
