## **Results of secularism**

- 1. The “mood” of society**
- 2. The devil has a free reign - no way of expressing the demonic**
- 3. Renders the Christian ineffective**

“We are living in a time when sensitivities are at the surface, often vented with cutting words. Philosophically, you can believe anything, so long as you do not claim it to be true. Morally, you can practice anything, so long you do not claim that it is a “better” way. Religiously, you can hold to anything, so long as you don’t bring Jesus Christ into it. If a spiritual idea is Eastern, it is granted spiritual immunity; if western, it is thoroughly criticized. Thus a journalist can walk into a church and mock its carryings on, but he or she dare not do the same if the ceremony is from the eastern fold. Such is the mood at the end of the twentieth century. A mood is a dangerous state of mind, because it can crush reason under the weight of feeling.”

(16) And he told those who sold the pigeons, "Take these things away; do not make my Father's house a house of trade."
