A.W. Tozer

“What comes into our minds when we think about God is the most important thing about us”

A SEED OF DOUBT

The Fall
Genesis 3

- The serpent very subtly creates the impression that God is deliberately withholding something good from them

A SEED OF DOUBT

How much time do we spend 'there'?
How does skepticism about God's goodness affect:

- Trust
- Spontaneity
- Intimacy
- Faith...obedience?

THE TRUTH OF THE MATTER

God is good.
There is no evil in him.
His heart is for us.
He invites us to experience and to really know his goodness.
The cross is proof of this.

HIS GOODNESS REQUIRES A RESPONSE

Romans 2:1-4 NKJV

"...the goodness of God leads you to repentance." (verse 4b)

CONCLUSION

GOD IS GOOD
HIS HEART IS FOR US

There is perfect alignment between his
greatest glory and our greatest good,
even if it does not always feel like it this
side of eternity.
