**Speaker:** Werner Joubert

- 5)community?**

### **Speak through your circles of commitment:**

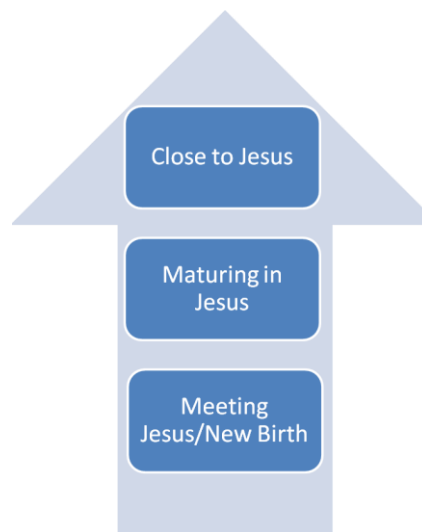

Think...

Is most people in this church where?  
Who do minister to at small group?  
Who do we preach to Sunday?  
What do we expect from who?  
What is our plan to bring closer every group?  
***How do you reach the community for Jesus?***

### **Spiritual formation**

- Foundations 1-4
- Bible school
- School of Supernatural
- Missions
- Convergence Conference
- Planted Conference

## Church life

The “Community/lost” is only a bridge away

**Missional living (“dwelling”) in SA**

### **John 1:14**

<sup>14</sup>And the Word became flesh and dwelt among us, and we have seen his glory, glory as of the only Son from the Father, full of grace and truth.

1. Preaching of the gospel is best received in the context of “dwelling “ with people
2. Missional evangelism aimed at interest “ clusters” and not location
3. Missional living happens not by mistake but with planning (and positions you for divine appointments and moments)

## Strategic lighting

### **Mark 4:21-22**

<sup>21</sup>And he said to them, "Is a lamp brought in to be put under a basket, or under a bed, and not on a stand? <sup>22</sup>For nothing is hidden except to be made manifest; nor is anything secret except to come to light.

Strategic lighting is living or practising a life of systematically, purposefully and with consistency putting your life on display to be seen and evaluated by unbelievers

### **Mark 2:16**

<sup>16</sup>And the scribes of the Pharisees, when they saw that he was eating with sinners and tax collectors, said to his disciples, "Why does he eat with tax collectors and sinners?"

## Strategic Lightning/ Missional living

### **My motto**

To live with Personal Purity and the fellowship of Grace.
