

What needs to be broken so that He
can use it to build his house?

A close-up photograph of hands working with clay, overlaid with a semi-transparent teal graphic element. The hands are shown in the foreground, with one hand holding a piece of dark brown clay and another hand shaping it. The background is a soft, out-of-focus light blue. The text is overlaid on the right side of the image, in a white, bold, sans-serif font.

Day of small beginnings
10 Do not despise these small beginnings, for the Lord rejoices to see the work begin, to see the plumb line in Zerubbabel's hand."
Zechariah 4:10
