# Leading (at the) Well

Lessons in Leadership from John 4

Leaders Must Know  
Where They Want To Go

And Be Willing to Break with  
Tradition to Get There

# Jesus Violates a Number of Leadership Principles

Yet He had a Clear Purpose  
in Doing so

# Leaders are Giving

Even when Jesus asks for a Drink,  
He is Ready to Repay with  
Something Far Greater

True Leaders Always Focus upon  
that which is Most Needful

Jesus Always Reminds us to  
Focus on the Eternal and not  
only the Essential

# Leaders Challenge Others to Leave What Seems Essential Behind

# Leaders Transform Even the Most Challenging Environments
