**WHAT CAN I APPLY FROM  
TODAY'S MESSAGE?**

When I was a young man,  
I wanted to change the world.  
I found it was difficult to change the world,  
so I tried to change my nation.  
When I found I couldn't change the nation,  
I began to focus on my town.  
I couldn't change the town  
and as an older man, I tried to change my  
family.

Now, as an old man, I realize the only thing I  
can change is myself,  
and suddenly I realize that if long ago I had  
changed myself,  
I could have made an impact on my family.  
My family and I could have made an impact  
on our town.  
Their impact could have changed the nation  
And I could indeed have changed the world.
