"2014 will go down as one of the most violent years in history as, month by month, global events unfolded in dramatic and traumatic ways." In Context Ministries

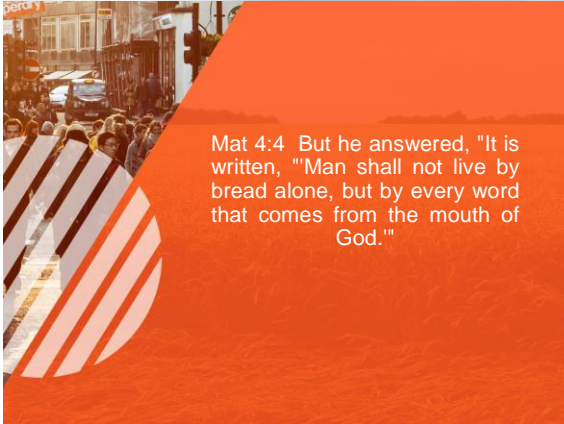

(CNN)The world is closer to doomsday. That's the message from the Bulletin of Atomic Scientists, which moved its iconic Doomsday Clock up two minutes on Thursday. The clock now stands at three minutes to midnight, the "latest" it's been since 1984, when the Cold War between the U.S. and Soviet Union was a major issue.

"In the midst of this great chill there are some, I rejoice to acknowledge, who will not be content with shallow logic. They will admit the force of the argument, and then turn away with tears to hunt some lonely place and pray, "O God, show me thy glory." They want to taste, to touch with their hearts, to see with their inner eyes the wonder that is God." AW Tozer 1948

I want deliberately to encourage this mighty longing after God. The lack of it has brought us to our present low estate. The stiff and wooden quality about our religious lives is a result of our lack of holy desire. Complacency is a deadly foe of all spiritual growth

Mat 4:4 But he answered, "It is written, "Man shall not live by bread alone, but by every word that comes from the mouth of God."
